INTRODUCTION

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30.

Rotaract clubs organize a variety of projects and activities, depending primarily on the interests of the club members. However, within the Rotaract program, all clubs undertake three types of activities in varying degrees: professional development, leadership development, and service projects. Together, these three areas ensure a balanced club program and provide important experience and opportunities for the personal development of each Rotaractor.

Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary.

As one of Rotary's most significant and fastest-growing service programs, with more than 8,400 clubs in about 170 countries and geographical areas, Rotaract has become a worldwide phenomenon.

Come Together '14

The Rotaract Club of Fr CRCE brings to you its most awaited event of the year: Come Together '14!

Taking a cue from the previous years, we plan to go a step ahead and make this a bigger and grander event.

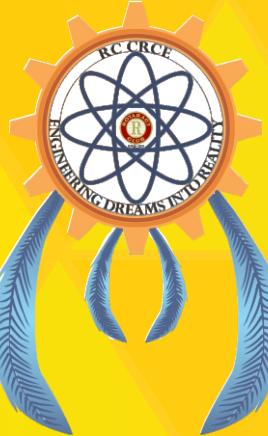

The Art Festival:

- The Art Exhibition: Fiesta de Artes did exceptionally well, in terms of generating proceeds for the NGOs and was a favourite amongst the Rotary Members.
- Building up from our past success, this time our event will have a fusion of Music & Art.
- Amateur bands as well as a few upcoming ones are touted to make an appearance.
- We target a footfall of 1000-1200.
